Captain's Remarks

The past few months have flown by with some noteworthy occasions. The company cookout which occurred in July was held at Lake Tillery and a big thank you must go to Diane and Will Albritton for allowing us to use their vacation get away for the event. In August a few of our members represented the company and attended the Gettysburg Living History program presented by our battalion, as always, the tourists who stopped were impressed by our battalion's presentation.

In September the 30th and CFMPCA hosted the annual Bost Grist Mill event. The battlefield was changed for this year's event and seemed to be a hit with those in attendance. Albeit a smaller attendance than prior years due to the forces of nature out of our control, those who attended have given us praise for our efforts and indicated they would return next year and for that we should have pride in our efforts.

Events coming up in October were the Goldsborough Bridge event, which was cancelled due to site issues after the rain was changed to the Cedar Creek event, Oct 14-15. I hope all of you who had planned on Goldsborough Bridge can make the Cedar Creek event. The last event for our year will be Fort Branch and again, I hope all of you can attend the event, which is hosted by our battalion sister company the 11th NCT.
